Format: Management will be available for one-on-one meetings. Please contact your Cowen sales representative to request a meeting.

BioCapital Europe

Date: March 10, 2022

Place: Amsterdam, NL

Format: Thierry Abribat, founder and chief executive officer, will be presenting at the BioCapital Europe event on Thursday, March 10. Please visit the BioCapital event website for more details (<https://www.biocapitaleurope.com/>).

About Amolyt Pharma

Amolyt Pharma, a clinical stage biotechnology company, is building on its team's established expertise in therapeutic peptides to deliver life-changing treatments to patients suffering from rare endocrine and related diseases. Its portfolio includes AZP-3601, a long-acting PTH analog as a potential treatment of hypoparathyroidism, AZP-3813, a peptide growth hormone receptor antagonist for the potential treatment of acromegaly, and AZP-3404, which is undergoing indication selection work. Amolyt Pharma aims to further expand and develop its portfolio by leveraging its global network in the field of endocrinology and with support from a strong syndicate of international investors.
